HOW IT WORKS

WE BRING EVERYTHING!

Delivered and Set-up Events

We arrive at your event with everything that you ordered, and all the equipment needed to keep the hot food hot and cold food cold. *We provide disposable plates, napkins, and utensils.* Our team sets up and makes sure everything is correct before we depart. We return later at a predetermined time to pick everything up. *We are not responsible for the event space, any trash or cleaning up.* Please let us know in advance if you want us to leave you some containers to pack up any leftovers!

15% gratuity, taxes and mileage will be added to your final total.

Events greater than 50 may require an attendant to stay and refill the buffet. Attendant cost is a flat \$100.

Served Buffets

We arrive at your event with everything you ordered, and all the equipment needed to keep the hot food hot and cold food cold. *We provide disposable plates, napkins, and utensils.* **Our team sets up your event and stays to serve the food.** We refresh the buffet as needed and make sure to work with your MC to communicate if there are seconds to be offered to your guests. Once guests are fed, we go around the room and clear the tables of all dinnerware and dispose of it appropriately. *We clean up our area and depart as stealthily as possible.*

All trash is disposed of on-site unless other arrangements have been made.

20% gratuity, tax and mileage is added to the final total.

There are many other services that we can offer for served events such as cake cutting and table service, using rented plate ware and flatware, table set up, event set up, and break down. We can also rent linen tablecloths when needed. Please inquire! We are happy to help!

PICK UP EVENTS
